The Art League was founded in 1989 by a small group of artists and art lovers with a desire to bring art to the island community. In June 1993 the Art League opened the island's first art center at 5312 Holmes Blvd.

The Art Center facility includes a large exhibit/classroom, membership gallery/conference room, photo lab, art library, and picnic grounds.

This is where the League offers a broad range of classes, including, a scholarship program for children and adults. Annually the League sponsors Winterfest and Springfest, two juried fine arts and fine crafts festivals that provide financial support for the art center and scholarship fund.

In addition, there are eight new exhibits annually, featuring both local and regional artists, and opening receptions the public is invited to attend.

The Anna Maria island Art League welcomes your membership and participation. Volunteers are an essential part of the League's continued existence.

Call the Art League for a class schedule. Your financial donation and time as a volunteer is greatly appreciated in supporting the arts on Anna Maria Island.
